

SNU-1

Strain Information

Cat. NO.	NM-W04
Cell Line	SNU-1
Strain State	Validation of tumorigenic capacity completed
Model	Human stomach carcinoma cell line
Description	*Literature published using this strain should indicate: SNU-1 cell line (Cat. NO. NM-W04) was purchased from Shanghai Model Organisms Center, Inc..

Validation Data

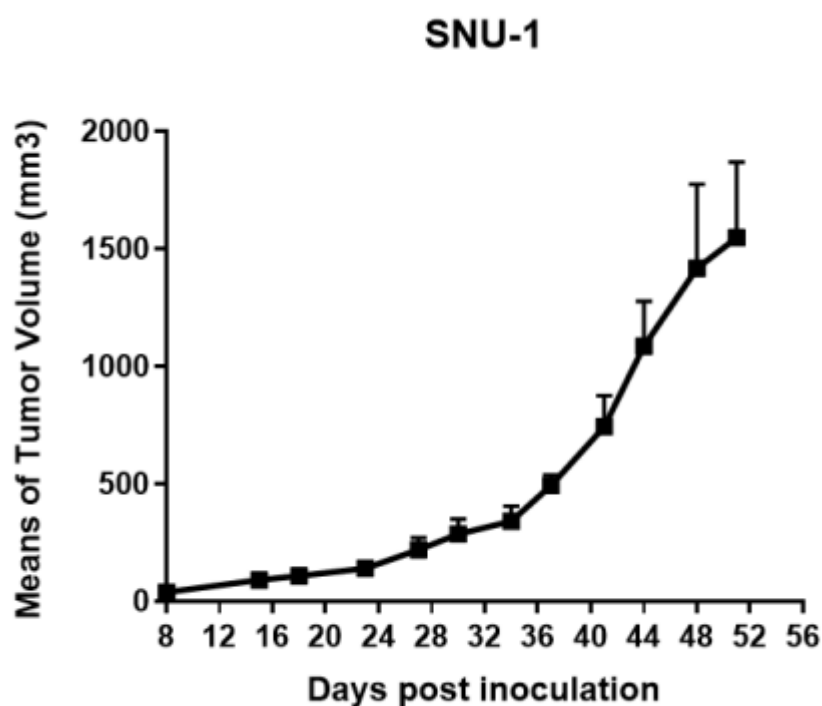

Figure 1. Tumor growth curve of SNU-1 xenograft model (n=4)

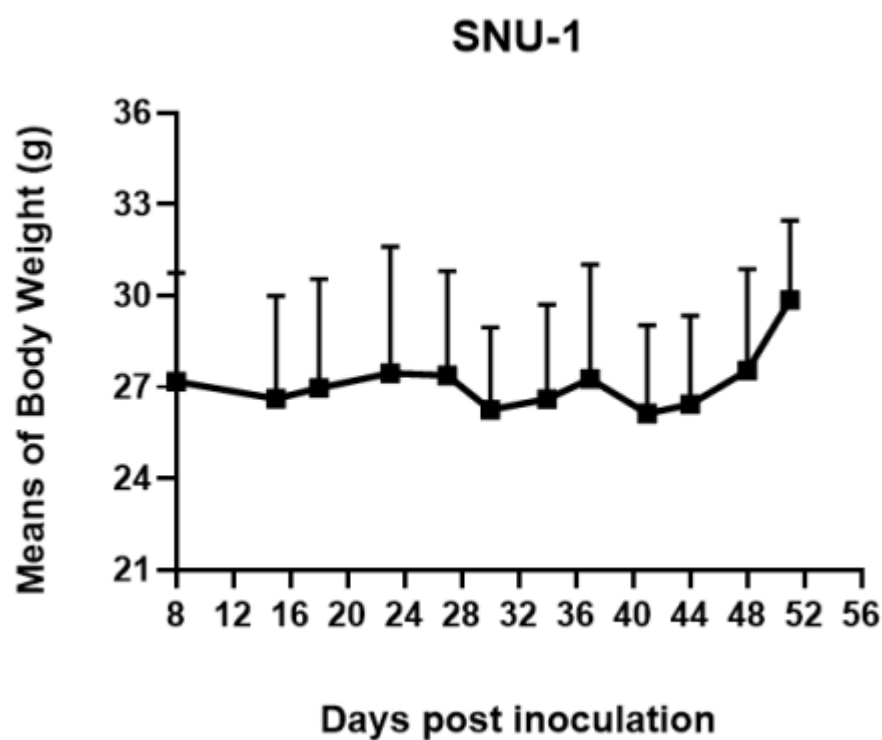

Figure 2. Body weight change of SNU-1 xenograft model (n=4)

*Wild-type cell lines are not for sale, and only applied to construction of tumor bearing mice and in-vivo efficacy studies.
